

Ham Radio Class in Northwest Houston

Announcing the First Class of 2014

Preparation is now complete for the Winter Ham Radio Class located in Northwest Houston. This class is sponsored by Northwest Amateur Radio Society (NARS - <http://w5nc.net/>).

Ham Radio Class Details

Purpose: obtain the FCC Amateur Radio Technician Class License

Lectures: 2

Dates: Mar 1 and 2

Times: 8:30AM-4:30 PM

Location:

Tomball Fire Department – Station 1
1200 Rudel
Tomball, TX 77375

Teacher: Skip Ferguson K5LLR

Text Book: ARRL Ham Radio License Manual (ISBN 978-0-87259-097-7, includes practice exams), \$25

License Exam Fee: \$15

- Each lecture will include a review of material in the text book, and class practice exams.
- The last lecture will have class practice exams and a final individual license exam.
- The exam session will be provided by NARS ARRL Volunteer Examiner members.

To enroll in this class, please send an email to me at keith1@dutson.net . You will receive a map and instructions to get to the classroom.

I have 8 text books for sale at \$25 each. Let me know if you want me to reserve one of these books for you. The text book is also available online from various vendors. Be sure to get the complete book with practice exam CD-ROM software.

Thanks to teacher Robert Skip Ferguson who is a professor at Blinn College, teaching in the Computer Science Department. Skip is volunteering his time and travel expenses from his home in Brenham.

Thanks also to Fire Chief Randy Parr, for providing our classroom.
