

Ham Radio Class in Northwest Houston

Announcing the First Class of 2015

Preparation is now complete for the Spring Ham Radio Technician Class located in Northwest Houston. This class is sponsored by Northwest Amateur Radio Society (NARS - <http://w5nc.net/>).

Ham Radio Technician Class Details

Purpose: obtain the FCC Amateur Radio Technician Class License

Lectures: 2

Dates: Saturday April 11, Saturday April 18

Times: 9:00AM-4:30 PM

Location:

Christ United Church of Cypress
14207 Telge Road
Cypress, TX 77429

Teacher: Skip Ferguson K5LLR

Text Book: ARRL Ham Radio License Manual 3rd Edition, includes practice exams, \$29.95+shipping

License Exam Fee: \$15

- Each lecture will include a review of material in the text book, and class practice exams.
- The last lecture will have class practice exams and a final individual license exam.
- The exam session will be provided by NARS ARRL Volunteer Examiner members.

To enroll in this class, please send an email to me at keith1@dutson.net. Use Google to find a map and instructions to get to the classroom.

I have pre-order text books for sale at \$30 each, including shipping. Let me know if you want me to order one of these books for you. I need your order no later than April 1. The text book is also available online. Be sure to get the complete book, 3rd edition.

Thanks to teacher Robert Skip Ferguson who is a retired professor of Computer Science. Skip is volunteering his time and travel expenses from his home in Brenham.

Thanks also to CUC Cypress, for providing our classroom.

Keith Dutson NM5G
