

# *Ham Radio Class in Northwest Houston*

## *Announcing the First Class of 2017*

Preparation is now complete for the First Ham Radio Extra Class located in Northwest Houston. This class is sponsored by Northwest Amateur Radio Society (NARS - <http://w5nc.net/>).

### **Ham Radio Extra Class Details**

**Purpose:** obtain the FCC Amateur Radio Extra Class License

**Lectures:** 2

**Dates:** Saturday February 11, Saturday February 18

**Times:** 8:30AM-4:00 PM

**Location:**

David Wayne Hooks Airport  
Conference Room  
20803 Stuebner Airline Road  
Spring, TX 77379

**Teacher:** Skip Ferguson K5LLR

**Text Book:** 2016-2020 Extra Class FCC Element 4 FCC License Preparation, by Gordon West WB6NOA, with Eric P. Nichols KL7AJ

**FCC Authorized License Exam Fee:** \$15

- Each lecture will include a review of material in the text book, and class practice exams.
- The last lecture will have class practice exams and a final individual license exam.
- The exam session will be provided by NARS ARRL Volunteer Examiner members.

To enroll in this class, please send an email to me at [keith1@dutson.net](mailto:keith1@dutson.net). Use Google to find a map and instructions to get to the classroom.

I can order text books for sale at \$30 each, plus tax, including shipping. Let me know if you want me to order one of these books for you. The order will be placed February 4. If you wish to obtain the book yourself, be sure to get the book covering 2016-2020.

Thanks to teacher Robert Skip Ferguson who is a retired professor of Computer Science. Skip is volunteering his time and travel expenses from his home in Brenham.

Thanks also to Hooks Airport Manager Jag Gill, for providing our classroom.
